HOW WE DELIVER

DEVELOPMENT PROCESS

TERMS

COMMERCIAL INFORMATION

PROJECT COMMENCEMENT	Work begins after scope sign-off and the initial payment; later changes are quoted separately.
MILESTONE PAYMENTS	40% Deposit 30% Core modules delivered 20% After pilot 10% Go-live
SHA & DHA COMPLIANCE	SHA-contracted facilities need a DHA-certified HMIS linked to the national health exchange. We build to these standards and confirm certification status when quoting.
PATIENT DATA PROTECTION	Role-based access, audit logs and encrypted backups support your duties under Kenya's Data Protection Act, 2019. Your facility remains the data controller.
HARDWARE & DEVICES	Computers, tablets, label and receipt printers and barcode scanners are client-supplied, or sourced and quoted separately.
THIRD-PARTY COSTS	SMS charges, payment fees, insurer or analyzer interface fees, domain and hosting are billed separately unless quoted.
DATA & SETUP	The client provides price lists, drug and test catalogues, staff details and any records to migrate.
OWNERSHIP & SUPPORT	Assets and access are handed over after full settlement. Hosting, backups, updates and support with agreed response times run under a monthly agreement.

LET'S DIGITISE YOUR HEALTH FACILITY.

CodeHive Inc. builds secure, modern systems for East African clinics, hospitals, laboratories and pharmacies, from a single clinic to a hospital network.
